MEMORANDUM FOR: Chief, Review Staff

SUBJECT : Classified Documents Returned from the House
Select Committee on Intelligence

1. Reference is your memorandum, same subject, of 27 February 1976.
2. A reconciliation of the inventory of returned documents which your office provided me with our records reveals the following missing documents:
 - a. Copy of President Nixon's Directive of 5 Nov. 71, subject: Organization and Management of the U.S. Foreign Intelligence Community. (Sent 7/30/75)
 - b. Copy of Chart: National Foreign Intelligence Program - Impact of Inflation - FY 1964/1976. (Sent 7/30/75)
 - c. Copy of Chart: Intelligence Program Funding FY 1975/1976. (Sent 7/30/75)
 - d. Data on contracts with certain private firms, DCI/IC 75-3888, 10 Dec. 75. (Loan) (Sent 12/10/75)
 - e. Memorandum to the Director of Central Intelligence, 8 July 65 entitled, "Lessons Learned in the Dominican Crisis." (Loan) (Sent 10/23/75)
 - f. Memorandum entitled, "CIA's Role in the Dominican Crisis, 12 May 65. (Loan) (Sent 10/23/75)

g. NIE 53/14.3-73, "Short-Term Prospects for Vietnam," 12 Oct. 73. (Loan) (Sent 10/23/75)

h. NIE 53/14.3-2-74, "Short-Term Prospects for Vietnam," 23 Dec. 74. (Loan) (Sent 10/23/75)

i. Annex to the National Intelligence Bulletin of 3 April 75, "Likely Political Developments in Vietnam." (Loan) (Sent 10/23/75)

j. Extract from USIB minutes, "Intelligence Community Coverage of Portugal and Spain," (USIB-M-672), 11 July 74. (Loan) (Sent 10/04/75)

k. Memorandum for the USIB, "Intelligence Community Coverage of Portugal and Spain, 18 July 74, prepared by Keith C. Clark, NIO for Western Europe. (Loan) (Sent 10/04/75)

3. It is possible that these documents are located in CIA boxes and thus did not appear on the inventory which I received.

4. Items b and c above contain budgetary information which we have consistently held should not be made public. The other documents, while correctly classified, do not appear to be particularly sensitive, either as to sources and methods or as to policy.
